

CULTURAL COMMITTEE REPORT (2022 - 23)

It was a fulfilled year for the students as they had enjoyed a lot of cultural events in the whole year. The cultural committee started its first event with the **Friendship Day** celebration where students had a chance to show their true friendships with the help of some games like Ball in the bucket, Co-ordination walk and Can-shoot where their co-ordination and trust could be seen.

Before the Independence day we had organized a **Poster Making Competition** in collaboration with our NSS unit on the theme of "Azadi ka Amrit Mahotsav" where students put all their imagination and thoughts on the canvas .We could see that students have a very thoughtful mind which helped them to create great paintings with patriotic messages and could explain it very well to the judges.

It was the time to welcome our freshers and the "**Freshers party**" was organized in which students had a chance to showcase their talents and thoughts to win the title of **Mr. and Ms. "KMCC Fresher"**. The students had a pleasant evening where they could dance and enjoy on the floor with their old and new friends. The participants who participated in the contest had a chance to walk on the ramp and had to answer the questions coming from our panel of judges as a result of which we got the winners for the contest of Mr. and Ms. "KMCC Fresher".

Navratri was on the way and we had a thought of creating a vibe of Navratri in the college premises so we had a competition for **Dandiya, Pot and Thali decoration** which could help indulge in the students the feeling of festivity and unity. The cultural team organized the Navratri theme based competition where the students took the courage to showcase their creativity and talent. A large number of students came in for the competition as they were really eager to enjoy the event with their competitive spirit. The judge for our event was "Mrs. Kinjal Pandya" who closely observed the hardwork and creativity put in by the participants and could give her views and result on the basis of it.

Garba is a traditional Gujarati dance form that is celebrated with great enthusiasm during the Navratri festival. Garba event in colleges is not only to promote cultural diversity and unity but also provides an opportunity for students to showcase their talents and socialize with their peers.

It is a popular event in many colleges and in our college we call it “**Jashn**” where students enjoyed playing Garba on their favourite beats. Students participated in dance with colourful traditional attire. Students were honoured for ‘**Best costume**’ and ‘**Best dance**’ with cash prizes. Guests for the evening were **Mr. Shantilal Shah and Dr. Kshitij Mehta** who were felicitated by our principal **Dr. Santosh Tiwari**.

In the month of **December ‘2022** we had a week full of **Cultural Days** for which students are always excited.

- 1. Twins day with musical chair:** - Twins day with musical chair was a great thought as it encouraged students to participate in this event. In this event, students could dress up in matching outfits and participate in a musical chair competition. The competition was organized in different rounds and the winner were awarded certificates. This event not only promoted teamwork and collaboration but also adds an element of fun to the cultural day.
- 2. Saree & Tie day with rose day:** - Saree and Tie day was an event that celebrated the beauty and elegance of Indian traditional wear. Students participated in the event by exchanging roses and wearing dresses according to the theme. The participant who had the maximum number of roses and following the dress theme was awarded the title of ‘**Rose King**’ and ‘**Rose Queen**’.
- 3. Bollywood theme:** - Bollywood is a significant part of Indian culture and organizing a Bollywood-themed cultural day in college was a fun and exciting experience. Students had a chance to dress up as their favorite actor or actress and share their dialogue or give a superhit performance. The students competed to win the competition and everyone tried to give their best performance and entertain the audience and the judges.
- 4. Food fest:** - Food fest is an excellent way to showcase the diversity of cuisines in India. In this event students with class groups were allotted their tables and could showcase their dishes and had a chance to sell them to the other students and friends. The judges for the event were ‘**Mr. Mukesh Kanojiya**’ and **Ms.**

'Dipa Ghadi' who tasted the dishes presented on their tables and judged them on the basis of the taste, presentation and Caption/slogans. The winners were honored with certificates and we ended the day by judges giving the motivational speech.

- 5. Traditional day:** - Traditional day was an event where students had a chance to dress in their full Indian traditional attire and represent a particular state. The students had to fight for the title of **'Mr. KMCC' & 'Ms. KMCC'** where they had to go under various rounds like ramp walk, introducing themselves and the question answer round. The judges for the competition were **'Mrs. Jayashree Premkumar' & 'Mrs. Sushma Pandey'** honored the winners for the event.
